MCC collects record Rs. 141.11 cr. property tax

Online tax brings windfall to civic body which has set a target to collect Rs. 205.05 crore

Mysuru, Feb. 9 (RK&BCT)- Normally, people pay property tax at the Mysuru City Corporation (MCC) Main and Zonal Offices or at a designated bank branch but the COVID-19 pandemic has put paid to this method for many, forcing them to opt for online payment.

Notably, this online system has proved immensely beneficial for the MCC during the last financial year as it has collected the highest tax so far from 2016-17 financial year. The civic body has filled Rs. 141.11 crore to its coffers as against a target of Rs. 205.05 crore. *[see table for comparison from 2016 to 2022].*

Along with the online system, the existing offline system too was put in place where MCC teams visited house-to-house collecting taxes. As both online and offline methods were extensively used, the perpetually cash-strapped MCC could mop up revenues to this scale.

Property tax or house tax is collected from the owners by the local Municipal authority and this is the main source of revenue for the MCC to provide basic amenities, healthcare and education within the city limits.

Financial year	Tax collected
2016-17	95.85 cr.
2017-18	116.24 cr.
2018-19	125.38 cr.
2019-20	126.29 cr.
2020-21	120.17 cr.
2021-2022	141.11 cr.

Ever since the online tax collecting system was introduced, it was full of glitches, server crashing and non-responsive website being the major issues. But over the years, the MCC seems to have overcome online issues and the results are there now for everyone to see. Due to the streamlined online system, residents can now pay the taxes from the comforts of their homes.

The COVID pandemic came in 2020 and it affected tax collection that year and it was predicted that 2021-2022 too will be a bleak year. Added to the woes were repeated lockdowns, weekend curfews and night curfews. MCC officers told *Star of Mysore* that despite many difficulties and restrictions, Mysureans have been prompt in paying property tax.

(See TAX on page 6)

'Online-offline systems helped'

MCC Revenue Division Officers have struggled hard and they have done extensive campaigns for property tax collection and also to collect pending dues. Plus, the online tax system proved beneficial as people could pay up sitting at homes and not venturing out during pandemic time. The MCC has only one major revenue source, that is property tax. If we continue the same trend, we can reach 100 percent tax collection soon."

— G. Lakshmikantha Reddy, Commissioner, Mysuru City Corporation

'Concerted efforts paid off'

MCC Commissioner used to conduct review meetings at frequent intervals and give suggestions on tax collection. This has helped and officers and staff of all the nine Zones have left no stone unturned to achieve this target. Even we convinced people who had a large property tax backlog to pay up. All these efforts paid off."

— N.M. Shashikumar, Deputy Commissioner (Revenue), Mysuru City Corporation

Mayoral aspirants eagerly await reservation matrix

Mysuru, Feb. 9 (RK & DM)- With the tenure of current Mayor Sunanda Palanetra set to end on Feb. 24, the aspirants for the next Mayor and Deputy Mayor's posts are now keenly awaiting the Government's reservation matrix for the elections.

This time, the election is for the fourth term and District Minister S.T. Somashekar, MLAs S.A. Ramdas and L. Nagendra and a host of other BJP leaders are making behind the scene moves to push the Government to announce reservations that best suit the BJP.

Many Corporators believe that the Mayor's post will be reserved for the General category while that of the Deputy Mayor's post will be reserved for the ST category. However, if the Government follows the roster in the reservation, then the Mayor's post may go to a ST candidate.

The tenure of Mayor Sunanda Palanetra and Deputy Mayor Anwar Baig will end on Feb. 24. Sunanda Palanetra was elected in a mid-term poll held on Aug. 25 last year, after the High Court in May 2021, disqualified the then Mayor Rukmini Madegowda, who was a JD(S) Corporator on the grounds of making false submission on asset holdings while filing nomination papers in the 2018 MCC polls.

Anwar Baig of the Congress was elected as Deputy Mayor of the Congress-JD(S) coalition in Feb. 2021, which came to power following the 2018 polls. Following the disqualification of Rukmini Madegowda, Deputy Mayor Anwar Baig functioned as the acting Mayor for three months till Sunanda was elected on Aug. 25, 2021.

Meanwhile, it is learnt that MCC Council Secretary Rangaswamy has informed the Government about the tenure of the current Mayor and Deputy Mayor coming to an end in a fortnight. He is said to have written to the Urban Development Department on Dec. 27, 2021, seeking announcement of reservation matrix for the Mayoral polls to elect the new Mayor and the Deputy Mayor for the fourth term of the tenure of the current MCC. The officer is also said to have sent a reminder to the Department's higher authorities in this regard last week.

Dr. B.R. Ambedkar and Vajpayee Urban Housing Schemes

Applications invited from beneficiaries

Mysuru, Feb. 9 (SSM) - Applications are invited from people residing in Mysuru City Corporation (MCC) limits to construct houses under Dr. B.R. Ambedkar Housing Scheme and Vajpayee Urban Housing Scheme.

The facility will be provided to those people having vacant sites in MCC limits but without houses.

Priority will be given to women applicants who are either married or a widow. 51 houses for SC community people and 21 houses for ST community people will be constructed under Dr. B.R. Ambedkar Housing Scheme.

Under Vajpayee Urban Housing Scheme, 198 houses will be constructed for General Category people and 30 houses for Minority community people.

Eligible beneficiaries while submitting the applications must attach copies of title deed, sale deed, partition deed, Khata, BPL Ration Card with family members' Aadhaar cards, voters ID, caste certificate, bank pass book, 2 recent passport size photos and income certificate.

Interested may submit their applications with relevant documents before Feb. 19. For details, visit MCC Office, according to a press release from the MCC Commissioner.

Nanjangud TMC: The Rajiv Gandhi Rural Housing Corporation has invited applications from people residing in Nanjangud Town Municipal Corporation (TMC) limits to construct houses under Dr. B.R. Ambedkar Housing Scheme and Vajpayee Urban Housing Scheme.

Disabled people, Senior citizens, Widow and widowers are eligible to apply. The facility will be provided to homeless people who have vacant sites in Nanjangud TMC limits and their annual income must be less than Rs. 87,000.

In all, 17 houses for SC community people and 7 houses for ST community people will be constructed under Dr. B.R. Ambedkar Housing Scheme while 66 houses will be constructed for General category people and 10 houses for Minority community people under Vajpayee Urban Housing Scheme.

Eligible beneficiaries may submit applications with relevant documents before Feb. 10.

For details, visit Housing Branch at Nanjangud TMC Office, according to a press release from Nanjangud TMC Commissioner M. Rajanna.

EDITOR'S BOTTOMLINE

The Supreme Court, while hearing a petition against political parties promising freebies, has rightly expressed concern over the practice and issued notices to the Centre and the Election Commission. The petitioner has correctly pointed out that irrational freebies have played havoc with State finances. Other than running up huge debts, a telling example of how freebies can change a State's expenditure pattern is provided by Delhi. The Delhi AAP Government's capital expenditure, incurred to create and expand productive assets, infrastructure and public amenities in the national capital, has fallen from Rs. 11,685 crore in 2013-14 to Rs. 7,173 crore in 2017-18.

The CAG had pointed out that the share of capital expenditure has reduced from 14.39 percent in 2013-14 to 8.26 percent in 2017-18. All this is mere because the AAP Government has to finance its election promises of free power, water and public bus service for women. The situation is likely to worsen because the tendency to make such promises has only increased with each election. All political parties in the States currently witnessing elections have promised freebies. Winning elections is one thing, governance is another. This unhealthy, unviable and regressive trend needs to be checked before all States collapse under the weight of the promises of political parties.

'Galician Rambo' hides in forests for almost a year

Galicia: A wanted prison escapee dubbed the "Galician Rambo" eluded capture by hiding in the forests of Galicia since March of 2021.

Alfredo Sánchez Chacón, a Spanish ex-military and survival expert, was sentenced to hard time in prison for shooting and killing a 24-year-old man in 1996. Back then, authorities spent months combing the forests of Galicia and eventually captured the wanted man. During the murder trial, Sánchez escaped Vigo prison by using a brawl between other prisoners to climb down from the prison building using a bedsheet and then getting over the walls. In 2002 he was once again apprehended. He was sentenced to 17 years for murder, as well as additional time for his prison escape and other minor crimes. The survival expert was still serving his sentence when he disappeared in March of last year...

Fined for not picking up dog poop miles away

Paterna: A Spanish woman got the shock of her life when she received a $570 fine from a town she visited six months ago, for failing to pick up her dog's poop from a sidewalk.

The unnamed woman from Paterna, in Spain's Valencia region, had all but forgotten about that time when she chose not to pick up her Bull terrier's poop while vacationing in Benalmadena, last August, when she received a fine for it last month. So how did authorities in the seaside town located 650 kilometers away, in the province of Malaga, know about it after all this time? They clearly knew it was her dog, as the notice she received in the mail featured the street that the excrement had been found on and the date, Aug. 26. Little did she know that her "crime" had been discovered thanks to advanced DNA analysis...

Rashtriya Yuvaratna Award to be conferred on Feb.13

Rajesh

Mysuru, Feb.9- The Rashtriya Yuvaratna Award, instituted by city's Atmashri Kannada Samskrutika Pratishtana, will be conferred on Social Networking expert G.R. Rajesh Nayaka, at a programme to be held at Daksha PU College premises in city on Feb.13.

Announcing this here on Monday, Pratishtana President Dr. Gunavantha Manju said that G.R. Rajesh has virtually hosted morethan 4,000 social awareness programmes. Pointing out that Rajesh also played the role of Sri Ramanuja in a dance-drama titled 'Sri Ramanuja Dhanur Dasa Vaibhavam,' presented by the city's Bhushan Performing Arts Centre, he said that this dance-drama was screened in about 170 countries. Manju further said that Rajesh is a winner of many awards, which chiefly included Basava Ratna National Award, Seva Bhushana State Award, Hemmeya Kannadiga State Award, Kannada Vikasa Ratna Award and Vishwamanava Award, among others.

Ph.D awardee

Mysuru, Feb. 9- **M.D. Vikas** has been awarded Ph.D in Audiology by University of Mysore for his thesis 'Effects of Temporal Resolution, Working Memory and Personality on Hearing Aid Benefit in Older Adults' submitted under the guidance of Dr. P. Manjula.

REALLY...?

- ***In India, Children's Day was first held in 1956. Back then it was celebrated on November 20, in line with the Universal Children's Day by the United Nations. However, following the demise of Nehru, the lawmakers decided to observe the day on his birth anniversary (Nov. 14) to give the departed leader a befitting tribute as he was popular with the children. A resolution was passed in the Parliament to this effect.***

VOICE OF THE READER

My father H. Ramanna lived for 105 years !

Sir,

After reading about centenarian Allaranda M. Kuttappa, who lived to the grand-old age of 104 years (KBG's A*bracadabra* ***'Of mice and men'*** in *Star of Mysore* dated Feb. 5) it sent me down on my memory lane about my father.

My father H. Ramanna died in his 105th year on Oct.23, 2007. It is difficult to tell what is the secret of longevity but I would like to mention certain attributes of my father's life.

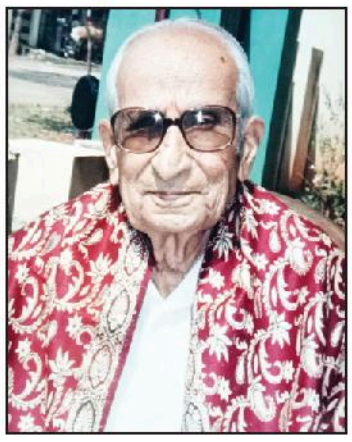
He used to tell me that when he read an article 'Persistency of youth', it influenced him profoundly. He lived with three mantras — Zest for life, Rosy outlook on life and Will power.

He had other positive habits which I believe contributed to his longevity. He was fond of walking and everyday he would walk for about 10 kms. He had cultivated a temperament of not to worry about anything.

He was very gregarious and loved to enter into conversation with anybody and everybody including any stranger that prompted us to say that he could even make a stone to talk to him.

He had a prodigious memory, was a voracious reader and had insatiable curiosity about everything and kept in touch with latest scientific developments.

He had a regularity of habit and particular about keeping time. Whenever he used to attend any lectures, he would occupy the front seat and always



H. Ramanna

ask questions. He had a fall in his 96th year and broke his hip joint and was using walker till his death.

I used to take him to all musical performances even after his fall, for he loved music. He loved good food and was very fond of drinking strong coffee.

His pet description of coffee: *Coffee should be 'Hot like hell, Thick like paste and Bitter like poison'!* He was very particular to take prompt action if he fell ill. Though he had his share of ill health, he never made a fetish of it.

When he died on the night of 23rd October 2007, we three children (my elder brother had died earlier) were with him. Though he had stopped eating for the past two days he loved the last taste of coffee which I gave him and he just faded away with his last utterance and smiling countenance 'Anandamaya.'

April 25:	Economics
April 26:	Hindi
April 28:	Kannada
April 30:	Sociology, Electronics, Computer Science
May 2:	Geography, Biology
May 4:	English
May 6:	Optional Kannada, Accountancy, Geology, Home Science

India's fight against COVID-19 exemplary: PM in Rajya Sabha

New Delhi, Feb. 9 (UNI)- Prime Minister Narendra Modi on Tuesday listed out his Government's achievements in the COVID-19 period and claimed that it has set an example before the world. Responding to the Motion of Thanks to the President's address in the Rajya Sabha, he said, "More than 80 crore Indians have been provided free ration during the COVID-19 period. We have set an example before the world."

The PM also criticised the Opposition for not playing a constructive role in efforts on the national-level against Novel Coronavirus. "Some people need to introspect. In all party meeting, an effort was made to convince others not to join the meeting on such an important issue of national importance," he said adding the Centre has conducted 23 meetings with Chief Ministers of various States on COVID-19. "Such an effort to take everyone onboard is an example in itself," he added.

He said the human race has not seen such challenging times in the past 100 years.

Talking about the vaccination drive, the PM said that people have taken the vaccine and they have done this not merely to protect themselves, but also to protect others. "Such conduct, in the midst of so many global anti-vaccine movements, is admirable," he added.

The Prime Minister also targeted the Congress for not giving the Government its due credit on the pan India vaccination drive. "One member said vaccination is not a big deal. I am surprised to see India's vaccination achievement doesn't even seem an achievement to some people," he said.

"I want to assure everyone that till the time the pandemic exists, we will protect the poor," he added. The PM also patted the back of his Government, saying that India has performed well in various sectors, even during the testing times of COVID-19.

87 doctors among 1,616 healthcare workers died by COVID: Centre

New Delhi, Feb. 9 (UNI)- As many as 1,616 healthcare workers (HCWs) have lost their lives fighting COVID-19 in the country, Union Health Ministry informed in Parliament on Tuesday.

The Government's death toll among HCWs include 87 doctors, 40 nurses, 136 paramedics, 6 ambulance drivers and 148 "others", the Ministry mentioned submitting a written reply to the query put up by Trinamool Congress MP Derek O' Brien.

According to the figure stated by the Health Ministry in Rajya Sabha, families of 1,616 healthcare workers have been paid the compensation amount of Rs. 50 lakh each from Pradhan Mantri Garib Kalyan Package.

The Centre mentioned that Rs. 818 crores of ex-gratia sum has been released under the scheme to the affected families.

The Indian Medical Association (IMA) said that the figure

IMA claims around 1,800 doctors have sacrificed their lives in the last two years

shared by the Union Government is 'laughable'. "Our very own data stated that around 1,800 doctors have sacrificed their lives in the last two years but the Union Government recognises only 87," said Dr. J.A. Jayalal, former IMA President.

"And our figure is only about doctors. If we add nurses and other divisions of healthcare workers, the figure will be multifold higher than what has been documented by Centre," he said.

Dr. Jayalal said IMA has submitted their data to the Union Health Ministry on several occasions with attested proofs of residence and license to practice medicine, but to no avail.

Union Ministry clarified in the written response that disaggregated data of HCWs as per their profession "is required to be maintained by the States."

"Government of India has maintained data of total cases and deaths as reported by States/UTs on a regular basis. Disaggregated data by profession is required to be maintained by the States. Accordingly, Union Government has requested States/UTs to furnish the requisite details," the response read.

Youths attempt to assault Traffic SI during vehicle checking drive

Cases registered against three at Devaraja Police Station

Mysuru, Feb. 9 (GA&KS)- Devaraja Police have registered cases against three youths for obstructing Police personnel from performing their duty and for reportedly trying to assault a Traffic Police Sub-Inspector (SI) during the vehicle checking drive at Government Ayurveda Hospital Circle in city yesterday evening.

Based on the complaint from Narasimharaja (NR) Traffic Police, Devaraja Police have registered cases against Akash, Vikas and Avinash, all residents of Vishveshwaranagar in Pandavapura taluk of Mandya district.

Yesterday evening, NR Traffic Police were conducting their regular vehicle checking drive near Government Ayurveda Hospital Circle, during which the Cops stopped a Maruti Omni van and asked the person behind the wheels of the van to produce relevant documents.

The person driving the van told the Cops that the documents were at home and refused to show his Driving Licence (DL).

Suspecting that the driver of the van was drunk, the Police asked him to accompany them to the hospital for medical examination, but he refused to co-operate.

Meanwhile, the occupants of the van came in support of the youth driving the van and began to argue with the Police and the van driver allegedly tried to assault SI Nagaraj.

The arguments between the Traffic Cops and the van occupants continued for more than two hours during which the van driver laid down on the road and protested which attracted a large crowd at the spot.

Later, the Police and the public managed to convince the van occupants and sent them to Devaraja Police Station.

Meanwhile, the public said that the Police and the public should behave decently during vehicle checking drive and should not indulge in unnecessary arguments. Vehicle owners and the Police should not lose their patience and indulge in wordy duel in public, the public added.

Woman commits suicide

Mysuru, Feb. 9 (MK&KS)- A 25-year-old woman committed suicide by hanging self at her residence in Ittigegud.

The deceased is Varsha. A native of Dattagalli in city, Varsha was married to Shashikumar and the couple have a son, according to Police.

Nazarbad Police, who have registered a case, are investigating.

Man succumbs to injuries at private hospital

Mysuru, Feb. 9 (RK&KS)- A 59-year-old man, who was admitted to a private hospital in city after he was hit by an autorickshaw on Hallikere-Gagenahalli Road in Hunsur taluk last Tuesday, has succumbed to injuries at the hospital on Monday morning.

The deceased is Swamygowda, son of late Nanjundegowda and a resident of Gagenahalli, Bilikere hobli in Hunsur taluk.

Last Tuesday, Swamygowda was walking on Hallikere-Gagenahlli Road, when an autorickshaw rammed into him.

Swamygowda, who suffered serious injuries, was admitted to a private hospital in city, where he succumbed to injuries on Monday.

Post-mortem was conducted this morning at MMC&RI mortuary and the body was handed over to the family members.

Bilikere Police have registered a case in this regard.

Senior journalist no more

Ravishankar

Nanjangud Feb. 9- K. Ravishankar (50), a senior journalist, son of late Krishnamurthy and a resident of KHB Colony in the town, passed away yesterday night at a private hospital in Mysuru following brief illness.

He leaves behind his wife Nagashree, three brothers, two sisters and a host of relatives and friends.

He had served as Nanjangud Correspondent of *Mysuru Mithra* and *Star of Mysore* newspapers for more than 30 years, served as the President and Secretary of Nanjangud Taluk Journalists' Association and was a member of Mysuru District Journalists' Association (MDJA). He was also the recipient of Shivaratreeshwara Media Award in 2013.

Last rites were performed at Hadinaaru Kaalu Mantapa Burial Grounds on the banks of River Kapila in Nanjangud this morning, according to family sources.

MDJA, Nanjangud Taluk Journalists' Association and a host of dignitaries have condoled the death of Ravishankar.

Obituary

Shivananjegowda

Mysuru, Feb. 9- Shivananjegowda (70), retired KSRTC Traffic Inspector and a resident of Vijayanagar 2nd Stage, passed away yesterday evening in city.

He leaves behind his wife Rajeshwari, one son, one daughter and a host of relatives and friends.

Last rites were held at Chirashantidhama in Gokulam this afternoon.

Syed Ali Khan

Syed Ali Khan (Nawab), Proprietor of M.S. Diamond Powers and a resident of Udayagiri, passed away yesterday night in city following brief illness.

He leaves behind his wife, one son, two daughters and a host of relatives and friends.

Namaz-e-Janaza was held today at Masjid-e-Eidgah, followed by the burial at the Muslim Burial Grounds in city.

Mahadevu

Mahadevu (70), a resident of Halladakeri in the town, passed away yesterday evening.

He leaves behind his wife, three sons and a host of relatives and friends.

Last rites were performed at the burial grounds near Parashurama Temple this afternoon.

H.N. Kantharaju

Kollegal: H.N. Kantharaju, a resident of Hosamalangi village in the taluk, passed away this morning at a private hospital in Mysuru.

He leaves behind his wife, two daughters and a host of relatives and friends.

Kantharaju is the eldest brother of Government Employees Association's Mysuru District Vice-President Malangi Suresh.

Last rites were performed at Hosamalangi village this afternoon, according to family sources.

Murder at KRS village was over illicit affair

Woman arrested for killing paramour's family of five

Srirangapatna, Feb. 9 (Vinay Karekura&BCT)- Hearing a case last year, the Delhi High Court observed, "illicit relationship is a perfect mix for disaster. Most times, it turns the family system into hell." A perfect example to illustrate this observation is the case where five members of a family were murdered at a village near Krishna Raja Sagar (KRS) on the night of last Saturday.

A woman and her three children along with one more child of a relative were hacked to death inside their house at Bazaar Lane and the crime had come to light on Sunday. Cracking the case within two days, the Police have arrested a woman who allegedly committed the crime over an illicit relationship. She was upset that the relationship had come to an end.

Lakshmi (32), her children Raj (12), Komal (7), Kunal (4) and a relative's son Govinda (8) were the victims. Lakshmi's husband Gangaram is a garment businessman. Govinda is the son of Ganesh, who is Gangaram's brother and had come to his uncle's house. The arrested woman is also Lakshmi, the victim Lakshmi's uncle's daughter. She is a resident of Belavatta and is married and has two children.

Accused Lakshmi

Bayya community members staging a demonstration in front of victim Lakshmi's house.

Rejection led to anger

According to the Police, the Belavatta woman had an affair with Gangaram for many years and of late, Gangaram resisted her advances and had sternly told her that he could not continue the relationship as he was happy with his family, Police said. Gangaram and this woman used to fight frequently over the issue and he had asked her to stop pestering him.

Police said that enraged over Gangaram's attitude, a spurned Lakshmi planned to avenge her rejection and meticulously planned the murder. She had maintained a cordial relationship with Gangaram's family and had visited their house a couple of times. She became friends with the unsuspecting victim Lakshmi and the latter too encouraged her.

During one of her visits to the house on Bazaar Lane, Lakshmi (Belavatta woman) had brought a sharp machete and had hid the same in the bathroom. As she was close to the victim Lakshmi, she came to know that Gangaram is scheduled to be out of his house on business for many days, the Police said.

Night of horror

As per her plan, she came to Gangaram's house on Saturday evening and spent time with the family, playing with the children. She had dinner and chatted with the victim Lakshmi for a long time even as the children fell asleep. Later she went to the bathroom and as the victim Lakshmi was readying to sleep, Lakshmi (Gangaram's paramour) came out with the machete and attacked the lady of the house.

According to the Police, the victim Lakshmi did not resist much as the machete hit her throat. However, she resisted further attacks but was overpowered. Her husband's paramour then took a pillow and smothered her to death. Hearing the struggle sounds, Govinda woke up and he screamed for help but the woman attacked him too with the machete and he collapsed on his bed. Meanwhile, hearing the scream and sounds, the three children woke up and began crying. In a fit of rage, Lakshmi attacked them. Unable to bear the assault, the young lives gave up. Police said that Lakshmi wiped out the family between 9 pm and 11 pm. She stayed in the house along with the blood-ridden bodies till 4 am.

Cleaning up after crime

After washing herself, she came to the Aralimara Bus Stand at KRS with a bag that contained blood-soaked clothes. She travelled to Metagalli from KRS and later came to her house at Belavatta and took a shower before throwing the clothes and the murder weapon into Varuna Canal. Realising that her absence at the scene of crime would raise suspicion, Lakshmi returned to the house at 7 am as if she has heard the news of the murder in the morning and had come to the spot.

She feigned ignorance and joined the group of mourners and even wailed loudly along with other women. After collecting preliminary information from relatives and neighbours, the Police came to know that Lakshmi had visited the family on Saturday evening.

Before zeroing in on Lakshmi, the Police interrogated Gangaram and they did not obtain any leads as he could not even imagine that his illicit relationship would wipe out his family.

Later, the Police took Lakshmi for questioning where she could not give convincing answers. After intense interrogation, Lakshmi confessed to the crime and revealed her motive and also how she did it.

Hundreds of people gherao KRS Police Station and stage overnight protest demanding handing over of accused Lakshmi to them.

Police take accused woman for mahazar at midnight

Srirangapatna, Feb. 9 (Vinay Karekura&BCT)- The Police, who have arrested Lakshmi for the alleged murder of five members of a family, took her for spot mahazar after 11 pm yesterday to avoid people from gathering.

It was done in a secretive manner as the local residents and relatives were demanding the Police to hand over the accused to them for retribution.

Police sources told *Star of Mysore* this morning that they were unable to take the accused Lakshmi for mahazar during daytime as people were baying for her blood. "It is a narrow lane and since the last two days, people have been camping there on protests, candle-light dharna and other activities. Also, the crowds had collected stones and had piled up near the house so that they could be hurled at the accused when she was brought there for mahazar," they said.

Last evening, thousands of villagers including women and teenagers and people from surrounding areas gathered at the KRS Police Station demanding that the accused be handed over to them. As the news of the arrest spread, many shouted slogans in unison demanding instant justice.

Taken aback by the sudden development, the Police increased their strength by calling for more personnel from Srirangapatna and their Mandya headquarters. Senior Police officials rushed to the spot to pacify the agitated crowd and KSRP platoons too arrived at the spot.

After much convincing by officers that the accused will be punished and justice would be delivered for the family, the crowd relented though many of them sat in front of the Police Station for an overnight protest.

Naganahalli Satellite Railway Terminal

MP wants Railways to bear land acquisition costs

Mysuru, Feb. 9 (BCT)- A week after the Union Budget released a measly Rs. 5 crore for the Satellite Railway Terminal at Naganahalli, Mysuru-Kodagu MP Pratap Simha took the issue to the Railway Minister Ashwini Vaishnaw and highlighted the importance of the project for the growth of Mysuru region.

The MP requested the Minister to bestow his personal interest to ensure that the project sees the light of the day by asking Railways to bear the land acquisition costs.

In fact, this is the second time the MP is meeting the Railway Minister on the state-of-the-art Coaching Terminal at Naganahalli with an estimated capital expenditure of Rs. 789 crore.

Meeting the Minister in New Delhi yesterday, the MP said that though the project has been mentioned among the critical projects of the Railways, nothing has progressed so far.

After the techno-feasibility study and cost-benefit analysis, the Railways has decided to execute the work in two phases with the first phase laying 4 platform lines, 4 stabling lines and maintenance together with station building at an estimated outlay of Rs. 496.29 crore.

"However, the project has seen no progress though a faster economic growth hinges on an efficient transportation system. Speedy execution of the project is of paramount importance to do away with cost overruns to achieve the intended objective. The South Western Railway has submitted the Detailed Project Report (DPR) to the Railway Board, after several modifications in the estimates, for further processing and sanction," the MP said in his memorandum.

Mysuru-Kodagu MP Pratap Simha submitting a memorandum to Railway Minister Ashwini Vaishnaw in New Delhi yesterday.

The Infrastructure Development Department (IDD) of the Government of Karnataka has not responded to the request for bearing the cost of land — 165 acres.

"As the Railways has already categorised this project as a 'critical' infrastructure project, I would be extremely grateful if the Railways could earmark the required funds for the acquisition of land needed to commence the first phase of the project. I am given to understand that the Railway authorities are of the view that if the State Government further delays releasing of funds for land acquisition, the Railways could still go solo in implementing the project," he said.

In view of the Mysuru-Bengaluru 10-lane Economic Corridor becoming a reality by October 2022, the Naganahalli Terminal becomes critical. Also, a mega silk cluster is coming up near Mysuru which will be a boon for the region to expand the silk market and also to create job opportunities. Also, the terminal would greatly help decongesting the Mysuru City Railway Station which is clogged now, he said.

"Considering the enormous growth potential of this region in the foreseeable future, creating the required railway infrastructure to remove the existing operational bottlenecks will be pivotal," the MP noted.

Return Maharaja's Saloon to Mysuru

The MP also urged the Railway Minister to return the 'Maharaja's Saloon' that was donated to the National Rail Museum, New Delhi, from the Mysuru Rail Museum. "The Maharaja's Saloon originally belonged to Mysuru and at present, only a part of the Royal Train remains in Mysuru," the MP noted.

"Maharaja's Saloon is a classic example to demonstrate the contributions of the Wadiyar dynasty for the development of Railways in Mysore Kingdom from 1864-1950. It becomes our responsibility to preserve their legacy for the present and future generations to appreciate," Pratap Simha stated.

The 24th ruler of Mysore Maharaja Nalwadi Krishnaraja Wadiyar was utilising this saloon. Originally, it was part of a three-carriage train that included the Maharani's coach (CR -7342) and a dining-cum-kitchen car (CR-7345), both of which are preserved at the Mysore Rail Museum.

The saloon must be repatriated from the National Rail Museum to the refurbished Mysuru Rail Museum so that the original 3-carriage Royal Special Train could be showcased to relive the glorious past of a bygone era. Incidentally, the Mysuru Rail Museum has rolling stock, including vintage locomotives, and other system equipment of the privately-owned Mysore State Railway among its prized collections, the MP said.

The induction of the Maharaja's Saloon will significantly enhance the heritage value of the museum that has become one of the major tourist attractions in Mysuru, he added.

MCC collects record Rs. 141.11 cr. property tax

(Continued from page 1)

In the city, there are 32,311 sites, 1,58,350 residential properties and 7,288 commercial properties. A target of Rs. 205.05 crore was fixed and till Feb. 7, 2022, Rs. 141.11 crore has been collected. There are a total of 1,97,949 properties in the MCC limits and till March end, a total target of Rs. 170 crore has been fixed to fill the gaps, said officers.

Along with the online tax system where there was good response from people, concerted efforts from all MCC Zonal Officers, Revenue Officers, Revenue Inspectors and staff have paid off. They visited houses in all the 9 MCC Zones creating awareness on the tax payment and also knocked at the doors of people who had not paid tax for years together.

This apart, the MCC teams have also started efficiently collecting water tax, trade licence renewal fee, advertisement revenue and also rent from businesses operating from its buildings. All these measures have enabled the civic body to increase revenues.

Kerala trekker, trapped on hill for two days, rescued by Army

Thiruvananthapuram, Feb. 9- A young man who was trapped on a hill in Kerala's Palakkad since Monday was rescued this morning after a marathon effort by the army.

Post rescue, the man, R. Babu, dressed in T-shirt and shorts, was seen pictured with smiling helmeted army personnel. Some were even seen clicking selfies and flashing the victory sign.

"Very thanks, Indian Army," said R. Babu sitting among army men. He then kisses the army personnel as a gesture of thanks and joins the men in chanting "Indian Army ki jai, Bharat mata ki jai".

Babu climbed the Cherad Hill in Malampuzha along with two friends on Monday. Babu kept climbing even after his friends abandoned the effort, and reached the top, but he slipped and was trapped between two rocks.

"Teams from Bangalore Parachute Regimental Centre were mobilised. Simultaneously we had a highly skilled high altitude warfare team and a couple of mountaineers who had summited Everest, available at the Madras Regimental Centre in Wellington, said Lt. General A. Arun, GoC, Dakshin Bharat Area, detailing the rescue operations.

The army officer also thanked Chief Minister Pinarayi Vijayan for coordinating with the Air Force and providing the Army with the airlift for the team from Bengaluru.

The army team walked all night and as dawn broke, with the help of drones and cameras on board, identified the specific location, he said.

"Two highly skilled men of Madra Regimental Team, rappled down the distance of 250 ft, till they reached Babu who is a young trekker and in a fantastic, daring decision making action, they decided to pull Babu up instead of taking him downhill. So he was almost physically, bodily carried uphill by two members of this descend team," said Lt. Gen. A. Arun. The officer noted that the terrain was very difficult, steep and bereft of trees.

"Chances high for a stone, boulder, or in this case a human being, who slips off the cliff, will almost find his way down. Babu needs to consider him immensely fortunate, for being able to get stuck in that cleft," said Lt. Gen. A. Arun.

Chief Minister Vijayan thanked the officials involved in the rescue operation and said care will be provided to the youth to regain his health.

"Worries have been put to rest as the young man trapped in the Cherad hill in Malampuzha has been rescued. The treatment & care needed to regain his health will be provided now. Thanks to the soldiers who led the rescue operation and everyone who provided timely support," Vijayan tweeted.

Cops register FIR against MES Governing Council Members

Mysuru, Feb. 9 (RK&KS)- Following a Court order, Jayalakshmipuram Police, on Feb. 6, have registered cases against 14 Governing Council Members of Mahajana Education Society (MES), including the Administrative Officer.

Cases have been registered under IPC Section 1860 (120B, 406, 409, 420, 149) against them.

Based on the complaint from former Director of Mahajana Tourism Development Institute Dr. K.S. Nagapathi and directions from the Court, FIR has been registered against the members.

Dr. Nagapathi, in his complaint, had stated that after his retirement as the Head of the Department of Commerce at D. Banumaiah's College, the President of Mahajana Education Society had urged him to become the Adviser to the Commerce and Management Department of Mahajana's First Grade College run by MES to which he (Dr. Nagapathi) had agreed.

The complaint further stated that as he had the background of Tourism, he was able to procure a grant of Rs. 4 crore to construct the college building and set up infrastructure for the college to start the Tourism course. As differences of opinions cropped up, MES filed a case against him at Jayalakshmipuram Police Station, which was transferred to City Crime Branch (CCB). The CCB had submitted a chargesheet to the Court and the case is in the hearing stage, he has stated in the complaint.

Dr. Nagapathi contended that MES in their complaint had accused that he (Nagapathi) had opened two bank accounts in Jayalakshmipuram and Metagalli branches of State Bank of Mysore and had misused the money. Dr. Nagapathi has stated that the accounts were opened with specific instructions from the President of MES and the MES, in fact had even received a sum of Rs. 4,19,26,721 through 34 cheques over a period of six years from 2009-10 to 2014-15 from the two bank accounts. The MES had also issued 58 cheques to these two bank accounts amounting to Rs. 19,34,258 during the above said period.

Dr. Nagapathi has further stated in the complaint that he had applied leave for two days and had gone to Belagavi to receive his D. Litt degree during which the MES Management had taken away all files, bills, vouchers, receipts and other documents in his absence and issued a show cause notice to him asking him to provide complete account from 2009 to 2015 along with bills, receipts and other documents.

The complainant further stated that the 14 persons, with dishonest intensions, had cheated him and based on the Court order, the Police have registered the FIR.

Advocates S. Arun Kumar and Rashmi Arun of Pragabhi Law Associates, Mysuru, represented complainant Dr. K.S. Nagapathi.

Internship for students to know about Scheduled Tribes Community

New Delhi, Feb. 9 (UNI)- The Scheduled Tribe Commission has started an internship programme for the students, in which they will get an opportunity to know more about the Scheduled Tribes Community.

This is the first time that such an initiative has been taken by the Commission.

Under this programme, students from different States across the country had applied. According to the information, the Commission had recently sought applications from students for the three-month internship programme on its website.

Hundreds of students had applied for the internship programme. These applications were scrutinised and 30 students were selected out of them.

Students from the Universities of States, including Arunachal Pradesh, Chhattisgarh, Madhya Pradesh, Meghalaya, Orissa and Maharashtra had applied. The selected students will be given information about the Tribal Community and subjects related to them for the first one week.

Academics, Teachers from various Universities and Experts in tribal affairs will brief the students about this for a week. After this, the students will be sent to tribal areas in different States.

The students will stay there for three months and work in between the tribal people, study their problems, amenities and will make reports on the decided issues.

The accommodation, travel and food arrangements of the students will be made by the National Commission for Scheduled Tribes.

The purpose of this internship is to provide experience to the students of working in the tribal areas and in between the tribal people.

Appointment of Resource Persons

Mysuru, Feb. 9 (SSM)- Saragur Town Panchayat's Skill Development, Entrepreneurship and Livelihood Department, under Deen Dayal Antyodaya Yojana and National Urban Livelihood Mission (DAY-NULM) has invited applications from people for appointment as Resource Persons. The appointment will be temporary on honorarium basis.

Interested candidates may obtain applications at Saragur Town Panchayat Office.

The filled-in applications must be submitted to the office before Feb. 19. Any applications submitted later will not be entertained.

Mysuru is also a Medical City – 2

Mysuru, a Medical Educational Hub

[Continued from Feb. 2]

By R. Chandra Prakash

Chandra Prakash

During the past five decades Mysuru medical scenario has undergone revolutionary changes — from medical education to medical services. Thousands of medical professionals have been produced in these institutions who went on to serve the country well. No surprise that there was also a proposal to establish a Railway Medical College in Mysuru a few years ago. Here is an attempt to provide a brief introduction to medical educational hub that has emerged in Mysuru.

Medical courses from Diploma to Degree, Master's to research-based Ph.D are available in Mysuru, both under Allopathic and Ayurveda streams. Apart from MBBS and Master's in Medicine and Surgery, courses are available in Nursing, Pharmacy, Dentistry, Speech & Hearing, Physiotherapy and in Allied Health Services such as Radiology Technician to Dialysis Technician, Cardiology to Occupational Therapy Technician. Higher specialisations by research called DM are also available in Mysuru.

Mysore Medical College

Established in 1924, Mysore Medical College, now called as Mysore Medical College and Research Institute [MMC&RI], has provided to the world about 10,000 well-trained and committed medical professionals. It has expanded its areas of operations and made changes in its medical education. Today it provides courses in different fields, starting from Nursing to Pharmacy and MBBS to Master's in Medicine and Surgery. Being a Government institution, admissions are governed by Merit-cum-Reservation-Matrix. Fees reasonable for medical education.

There are 150 seats in MBBS. It offers M.Ch (Plastic & Reconstructive surgery), B.Sc Allied Health Sciences, B.Sc [MLT], B.Sc (Medical Imaging Technology), B.Sc (Respiratory Care Technology) and B.Sc General Nursing Midwifery [G.N.M]. Under Para Medical category, there are Diploma in Medical Laboratory Technology, Diploma in Medical Imaging Technology, Diploma in Ophthalmic Technology, Diploma in Health Inspector and Diploma in Medical Record Technology.

There are more than 120 Post Graduate Medical [MD/MS] courses under different specialisations like MD in Anatomy, Physiology, Biochemistry, Pharmacology, Pathology, Microbiology, Community Medicine, Forensic Medicine, Dermatology, Radio Diagnosis, Anaesthesia, Paediatrics, General Medicine; and MS in Ophthalmology, ENT, Orthopaedics, General Surgery, O.B.G and the like. It has K.R. and Cheluvamba Hospitals, attached to MMC&RI to provide practical training in every branch. A new complex has come up in P.K. Sanatorium campus, where modern facilities will be made available to the staff and students. MMC&RI provides hostel to boys and ladies.

JSS Medical College

JSS Ayurveda Medical College

Mysore Medical College

All India Institute of Speech and Hearing

Govt. Ayurveda Medical College & Hospital

Government Ayurveda College was established in 1908. It imparts a degree course of 5-and-a-half years, Bachelor of Ayurvedic Medicine and Surgery (BAMS) and 3 years Post Graduate course (MD) in four specialty — Kayachikitsa (General Medicine), Ayurveda Samhitha & Siddantha (Basic Principles), Panchakarma and Swastavritta (Preventive Medicine).

The admission for BAMS course is 100 students each year and for Post Graduate courses it is 7 seats in Kayachikitsa, 5 seats each in Samhitha & Siddantha, Panchakarma & Swastavritta subjects. The College is functioning at the heritage building on Sayyaji Rao Road and the Post Graduate courses are offered at the new Charaka Post Graduate Centre, KRS Road. The Unani and Ayurveda Hospital is attached to this College.

Ayurveda College claims to fulfill all the norms of National Council for Indian Systems of Medicine. A Herbal garden 'Chandravana' is established under Ayurveda College near Kukkarahalli Lake, has 305 different species of herbal plants totalling around 5,000 plants.

All India Institute of Speech and Hearing [AIISH]

This institute was established in the year 1966 as an autonomous institute, fully funded by the Ministry of Health & Family Welfare, Government of India. The major objectives of the Institute are to impart professional training, render clinical services, conduct research and educate the public on issues related to communication disorders such as hearing impairment, mental retardation, voice, fluency and phonological and language disorders. AIISH provides 18 long-term academic programmes ranging from Diploma to post-doctoral degree related to communication disorder and allied areas. Courses such as Diploma in Hearing Aid & Ear-mould Technology, Diploma in Training Young Hearing Impaired Children and Diploma in Hearing Language and Speech, Undergraduate programs B.ASLP and B.Sc.Ed - Hearing Impairment, P.B Diploma Programs in Clinical Linguistics for Speech-Language Pathology, M.Sc in Speech-Language Pathology etc. are provided. AIISH has done a yeomen service to specially challenged children and set a model for other medical educational institutions in this field.

JSS Medical College

A part of the JSS Academy of Higher Education & Research (JSS AHER), this is a large non-Government private institution providing education in a wide area from nursery to graduation to post graduation in different fields of Arts, Science and Commerce as also Ayurveda and Allopathy streams of medical education.

JSS Medical College was established in the year 1984 and has made good progress since then. It is well-supported by large multi-specialty hospitals in respective fields of medical education. It has 200 seats in undergraduate MBBS course and provides Masters' Degrees in various areas of specialisations such as Anatomy, Physiology, Biochemistry, Pharmacology, Pathology, Microbiology, Community Medicine Forensic Medicine, General Medicine, General Surgery, O.B.G, Orthopaedics, Ophthalmology, Anaesthesia, Paediatrics, Dermatology, Radiology, Psychiatry, Respiratory Medicine, Emergency Medicine, Hospital Administration and Geriatrics. It also provides Super Specialty Courses in Urology, Medical Gastroenterology, Neurology and Nephrology.

It offers M.Sc. degree in Medical Anatomy, Medical Physiology, Medical Biochemistry, Medical Pharmacology, Medical Microbiology and Clinical Embryology besides M.Phil in Psychiatry Social Work,

Its B.Sc degree offers courses in Medical Laboratory Technology, Medical Imaging Technology, Anaesthesia & Operation Theatre Technology. Medical Renal Dialysis Technology, Medical Respiratory Care Technology Cardiac Care Technology, Perfusion Technology, Emergency Medicine Technology, Optometry, Forensic Science, Bachelor of Occupational Therapy and Medical Genetics.

Nursing courses provide a post Pre-University level Diploma in Nursing and a course leading to B.Sc Nursing particularly for these students as Lateral Entry; Degree seats and M.Sc Nursing under different specialised areas such as Medical Surgical Nursing, Pediatric Nursing, OBG Nursing, Community Nursing etc.

In JSS College of Pharmacy it provides Diploma in Pharma course, Bachelor of Pharma, Masters' Degree in Pharma under different specialisations, such as Pharmaceutics, Pharmacology, etc. It also provides Research based Ph.D course in Pharmacy.

In JSS Dental College, there are courses in Bachelor of Dental Surgery, [BDS] and for Master's in Dental Surgery [MDS] under different specialised areas. There is also a Post BDS Diploma.

Speech and Hearing course provides Bachelor of Audiology Speech-Language Pathology [BASLP] and Master's of Audiology and Speech Pathology. In Physiotherapy, there is a course in Bachelor of Physiotherapy [BPT] and Master's in Physiotherapy under different specialised areas.

In Allied Health Sciences, JSS provides a wide range of courses. It has B.Sc course in Radiology, in Lab Technology, in Dialysis Technology, in Cardio Technology, in Food and Nutrition and in Occupational Therapy. JSS Institute has courses in Hospital Management and provides BBA and Master's while JSS Ayurveda Medical College and Hospital gives admissions under BAMS, MDMS and MD/MS in Ayurveda stream.

With Medical, Ayurveda, Dental and Pharmacy Colleges, a Central Government-sponsored Institute and various medical and allied courses available in Mysuru, it justifies to be called a Medical City.

[To be continued]

Works on 10-acre goshala at city outskirts from Feb. 15

Mysuru, Feb. 9 (RK & DM)- With an objective of providing shelter and care to stray cattle, the Animal Husbandry Department has proposed to set up a goshala on the outskirts of the city. The goshala will come up on a 10-acre plot at Ayarahalli in the taluk at an estimated cost of Rs.1.85 crore for which the Department has prepared a DPR (Detailed Project Report) and entrusted the job of executing the works to Karnataka Rural Infrastructure Development Corporation (KRIDC). KRIDC has planned to commence the work by Feb.15.

For now, the works will commence with the construction of a shed in 2 acres of the 10-acre plot at a cost of Rs. 52 lakh. Around 200 stray cattle can be sheltered in this shed where they will also be taken care of, including their water, fodder and health needs.

As there was no Government facility for sheltering stray cattle, ownerless cows and cows seized by the Police, private agencies such as the Mysore Pinjrapole Society used to take care of these neglected cattle. Now, the Government has launched the initiative and it is expected that the shed at Ayarahalli will start functioning from May this year.

Animal Husbandry Department District Deputy Director Dr. B.N. Shadakshara Murthy told *Star of Mysore* that taking care of stray and street cattle is an initiative that upholds humanity. Maintaining that it is a matter of pride that the Government is setting up a goshala for the first time, he said that hitherto only private agencies such as Pinjarapole used to take care of stray and street cattle.

Dr. Shadakshara

But now the Department is building a huge shed at Ayarahalli in the taluk, which is not far away from the city, he said. Noting that seized cattle, injured and sick cattle would be treated and taken care of in the goshala, Dr. Shadakshara Murthy said that the first phase of the project is expected to be completed in May. The Department will also seek big companies and Corporates for help through CSR funds to maintain the shed, he added.

Netajinagar, Nandini & Vasanthnagar Layouts to get Cauvery water

Mysuru, Feb. 9 (SBD&DM)- Chamundeshwari MLA G.T. Devegowda said that measures have been taken to provide Cauvery water to Netajinagar, Nandini and Vasanthnagar Layouts coming under his Constituency. He was speaking after inaugurating the overhead water tank at Netajinagar on Monday.

Pointing out that measures have been taken for sufficient water supplies to all layouts coming under Chamundeshwari Assembly segment, he said that house owners have to pay Rs.26,010 to get water connection, which includes Rs.4,895 as Pro-rata charges, Rs.3,115 as Meter installation charges and Rs.18,000 as advance.

Maintaining that MUDA has come up with a Rs. 2 crore plan for addressing drainage problems in Netajinagar, Nandini Layout and Giridarshini Layout by construction of an STP plant, he said that the MUDA will soon execute works on providing civic amenities in all localities coming under it.

MUDA Chairman H.V. Rajeev in his address, said that MUDA has taken measures for supplying drinking water to all localities formed by it and as well as approved private layouts. He appealed the residents to make use of the utilities by paying the advance amount stipulated by the MCC. He also assured that all pending civic works will be completed as soon as possible.

MCC Commissioner G. Lakshmikantha Reddy, Corporator Rajani Annaiah, MUDA SE Mahesh, VVWW EE Suvarna, MUDA Zonal officers Ravishankar and Shivanna and other officials were present.

KSOU exam fee payment date extended till Feb. 21

Mysuru, Feb. 9 (SSM)- Karnataka State Open University (KSOU) has issued revised notification for online payment of exam fee for repeaters of Under-Graduate degree and Post-Graduate degree, Diploma, Certificate Course students who gained admission between 2001-02 to 2014-15 and also for students who gained admission for UG and PG courses for the academic year 2020-21.

The payment of examination fee for yearly or semester examination and supplementary without penalty is extended till Feb. 21 (from Feb. 7).

The penalty fee to those who pay after the due date will be Rs. 200 along with the prescribed exam fee. The fee can be paid online at KSOU website *https://www.ksoumysuru.ac.in/*. For details, call Mob: 88003-35683, according to a press release.

Recruitment of rural rehabilitation workers

Mysuru, Feb. 9 (SSM)- Women and Child Development Department and the Department of Empowerment of Senior Citizens and Differently Abled Persons have invited applications from eligible candidates for recruitment to Rural Rehabilitation Workers posts which are lying vacant at Maliyur, Madapura, B. Shettahalli, T. Doddapura in T. Narasipur Taluk and Sosale Grama Panchayat limits.

Interested physically challenged candidates can obtain the prescribed applications from Taluk Panchayat's Multipurpose Rehabilitation Workers and submit the same before Feb. 18. The appointment will be on honorarium basis. The rehab workers will be given a monthly honorarium of Rs. 600. For details, contact Mob: 80508-29685.

WORD OF THE DAY

Obsequious

Pronunciation: ub-SEE-kwee-us.
Meaning: Obsequious means "marked by or showing a fawning attentiveness"—in other words, "too eager to help or obey someone important."
Origin: According to the origin of the word, an obsequious person is more likely to be a follower than a leader. The word comes from Latin sequi, meaning "to follow"; the prefix ob- means "toward."
Example: "The service here is as traditional as the decor, with the obsequious staff as cheery as they are attentive." — Anooska Tucker-Evans

THE ODD WORD

Obequitate

To ride about.

PHRASE OF THE DAY

On the same page

Meaning: The phrase 'On the Same Page' means to be thinking in a similar fashion, to have the same amount of knowledge, or to have the same kind of understanding about a situation as others do.
Origin: Though the origin of the idiom 'on the same page' is sometimes attributed to choral singing, when all singers needed to be on the same page, it is much more likely that this term can be attributed to classes and business meetings when copies of a single item are used by all members, and that all need to be reading from the same page in order to understand what is being discussed.
Example: "Before we make any decisions today, I'd like to make sure that everyone is on the same page."

QUOTE BOX

Stop counting pages... you will never finish the book. — **Deyth Banger**

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

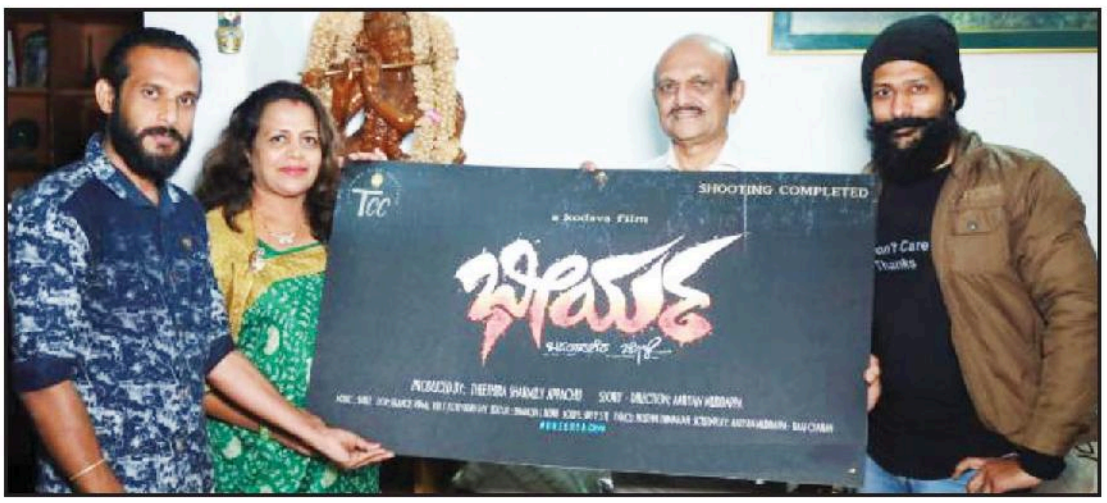
Kodava movie 'Bheerya' title card released



Madikeri, Feb. 9 (BCT)- In a new trend to the release of movies, the title card of Kodava movie 'Bheerya' was released after the shooting, casting and editing works have been completed. The movie is ready to be released on the silver screen.

Makers of this particular movie had initially decided to keep the shooting and other works under wraps. Normally, before any movie is shot, the producers and directors would release the title with much fanfare and gain enough publicity in the media. Likewise, many such movies do not see the light of the day and many times they remain on paper.

However, 'Bheerya' Kodava movie makers decided to go against the flow and completed all the necessary works before launching the title in public. The title release was recently done by noted advocate and President of Bengaluru Kodava Samaja Mukkatira T. Nanaiah.

The film will be released in April. It has been produced under the banner 'Thithira Cine Creations' and has been directed by Balyamederira Aryan Muddappa. The film has been financed and produced by entrepreneur Thithira Sharmili Appachu.

The title 'Bheerya' comes with a tagline 'Badalavanera Boli' (the light of change) and signifies the martial race of Kodavas who are known for their valour in the war fields all over the world.

The Kodava community has contributed to the Armed Forces in a significant manner and it occupies a pride of place in India's culture and ethos. The title signifies this spirit, said Sharmili.

Except for minor works including dubbing and other works, the entire process of movie-making has been completed and is ready for release in April, she added. The movie has senior and junior artistes and their names will be released in the due course.

Releasing the title, Nanaiah wished good luck for the movie team and said more and more Kodava movies must hit the screens and this is a way to safeguard and document the unique Kodava culture. Director Aryan Muddappa and Raj Charan of Udupi who played the role of villain in the movie were present.

Awareness session on Cervical Cancer

Mysuru, Feb. 9- RCC Vinyas, the CSR wing of Vinyas Innovative Technologies, a leading Electronics Manufacturing Company based in Mysuru, in association with Rotary Club of Mysore Midtown, headed by Rtn. Dr. Ravindranath Shroff, has taken up an initiative to educate girls on the importance of Human Papillomavirus (HPV) Vaccine and also vaccinate them for the same. The inaugural session of this project is scheduled on Feb. 10 at Koorgahalli Government School, Mysuru, at 10 am.

An awareness session on the topic "Truth about Cervical Cancer and the importance of getting a vaccine for HPV" will be addressed by renowned Gynecologist Dr. S.J. Seema (OBG) from Apollo BGS Hospitals, Mysuru.

In the 1st phase of this project, the girl students in the age group of 9-18 years along with their parents will be educated on Human Papillomavirus followed by vaccination drive in the 2nd phase.

Most cervical cancers are associated with HPV, a sexually transmitted infection. Widespread immunisation with HPV vaccine can reduce the impact of cervical cancer and other cancers by HPV.

Skill training for youths at RUDSET

Mysuru, Feb. 9- RUDSET Institute, Mysuru, has invited applications from youths for skill training in Dairy Farming and Vermicompost-making (10 days) from Feb.10 to 19.
